Encyclopædia Britannica presents an exciting new reference set for children. *My First Britannica* captures the imaginations of young children with engaging photography, artwork, and information on the topics they love. Topics are geared to school subjects, including space, technology, people, the arts, countries of the world, plants, and animals.

*My First Britannica* is a fascinating set that brings children the world, past and present, and the universe beyond.

- More than 800 color photographs and illustrations.
- More than 525 superbly written articles that capture a child's imagination.
- Special features that provide fun facts and activities for better retention and enjoyment.
- Comprehensive Reference Guide and Index with maps, flags, and glossary help children learn the basics of research.
- Quality binding and packaging provide lasting value.

# My First Britannica®

Build the Foundation for a Life-long Journey of Learning

## ARTICLE TITLE

A variety of article types expose children to essays, biographies, and stories.

## “SEARCH LIGHT” ACTIVITY

Comprehension items check a child’s understanding of the article. Answers are provided in an inverted color-coded box.

## SUBJECT CATEGORY

Each article covers a different topic, relating to the theme of the volume.

## ARTICLE

The standard length of each article is 250 words — ideal for this age group.

## COLORFUL PHOTOGRAPHY

Specially commissioned artwork and photography instantly capture a child’s attention.

## BOLD-FACED WORDS

Bold-faced words indicate a glossary entry. A glossary is located at the back of each volume, and Volume 13 contains a comprehensive glossary.

## “DID YOU KNOW?”

Fun facts related to topics provide additional information.

## CROSS REFERENCES

Readers are pointed to related topics, encouraging further research.
